

**IDENTIFICATION**

<b>Department</b>	<b>Position Title</b>	
Aurora College	Instructor, Heavy Equipment Operator	
<b>Position Number(s)</b>	<b>Community</b>	<b>Division/Region(s)</b>
91-13335	Fort Smith	Education & Training

**PURPOSE OF THE POSITION**

The Instructor, Heavy Equipment Operator is responsible for the planning, organization, instruction, delivery and evaluation of educational programming for adults. The incumbent is responsible for instructing courses in the Heavy Equipment Operator Program, evaluating the courses, supervising students in practical environments, and recommending changes/improvements as required. The incumbent manages and maintains a learning environment which is conducive to providing the highest level of education possible within their area of specialization.

**SCOPE**

The position is located in Fort Smith, and reports directly to the Chair, School of Trades, Apprenticeship and Industrial Training. The Instructor may be required to instruct in the Heavy Equipment Operator Program in a variety of communities and must be devoted to developing and delivering quality programs and courses and promoting positive career development of adult students within communities of the Northwest Territories. The incumbent conducts needs assessments and develops, delivers and evaluates programming to meet those needs. The incumbent is seen as a representative of the College within the community and therefore plays a critical role in creating and promoting a positive image for the College.

Instruction can be scheduled in a number of ways depending on the delivery approach of the particular course and/or program (e.g. semester, block, evening). The incumbent may be required to teach courses or modules in community locations or other campuses from time to time as required by the design format of the particular program. Instructors must instruct to defined course objectives and program standards. Some standards are set by relevant external accreditation organizations, associations, agencies, government departments, and/or boards. The incumbent must maintain currency of knowledge and expertise through regular

professional development, work experience and study and must maintain any certifications and/or licenses, etc. as required by the Collective Agreement and program needs.

As an instructor, the incumbent is required to attend regular program meetings, and report regularly to his/her supervisor on student progress. As part of the College team, instructors are also required to complete a variety of non-instructional duties that may be required to attain the goals of Aurora College.

## **RESPONSIBILITIES**

### **1. Instructs in assigned courses.**

- Develop lesson plans.
- Prepare syllabi.
- Deliver/instruct content using appropriate and varying instructional methods.
- Develop/prepare instructional material.
- Maintain adherence to program objectives and accreditation standards.
- Present content which accurately reflects the cultural, political, social and environmental realities of the NWT and Canada.
- Provide academic counseling and tutoring.
- Develop, revise, update and administer evaluation instruments to monitor student progress and to provide feedback.
- Develop and maintain a goal-centered progress plan for each student.
- Assist other faculty and regional programs as needed.
- Plan, implement, and supervise student learning in classrooms and ensures safety of all relevant areas and experiences.
- Ensure learning environments comply with all regulations, requirements, and laws consistent with all applicable safety, workplace, and environmental standards.

### **2. Develop and routinely revise course materials which are relevant, current, and consistent with subject content.**

- Initiate and maintain contact with a broad base of human resources including professional, traditional knowledge, educational, and occupational resources.
- Develop materials using a variety of media including print, visual and technology-based, to enhance instruction.
- Review and revise program and course outlines, syllabi and lesson plans.
- Collaborate with third-parties to develop unique, tailored instruction and delivery methods.

### **3. Undertake administrative tasks related to the delivery of instructional activities.**

- Complete reports as required such as student progress, course and attendance.
- Comply with and apply College policies and procedures.
- Recommend material, equipment, supplies and resources for student instruction.
- In consultation with other instructors recommend program/course materials, books, supplies, equipment and other resources.
- Maintain student records/files, as appropriate, including attendance, correspondence, and evaluations.

**4. Promote Aurora College activities, maintain public relations and market program activities.**

- Attend graduation, convocation, and completion ceremonies.
- Organize events and presentations that promote the program and Aurora College.
- Select and prepare materials for local career fairs.
- Assume other tasks as may be initiated from time to time, including assistance with promotional activities.
- Attend College team-building functions.

**5. College and program service.**

- Attend regular and relevant program, committee, faculty, and general staff meetings.
- Assist other faculty and programs as required.
- Undertake special projects to support adult learning in the community and through the College as assigned by the supervisor.
- Participate in an appropriate share of institutional service assignments.

**WORKING CONDITIONS**

**Physical Demands**

There are extensive physical demands associated with this position. The incumbent is required to work in a practical environment such as on road construction and gravel pits that has different physical demands more consistent with the Heavy Equipment Operator occupation such as shoveling, repairing vehicles, climbing on and off equipment, walking in gravel and snow, and carrying heavy loads. Instructors are required to be on their feet for up to 100% of their working day. There are physical demands associated with working on their feet. The practical nature of instruction will require the instructor to be involved with lifting and pulling/pushing heavy objects and exerting physical activities in the workplace. The practical nature of the program is up to 90% of the position.

**Environmental Conditions**

The incumbent is located in a pleasant instructional atmosphere. The incumbent is required to work in a practical environment that has different environmental conditions more consistent with the Heavy Equipment Operator occupation and setting than working on campus. The practical nature of this instruction exposes the instructor to high levels of noise from equipment and will expose the instructor to dust, smoke, and fumes from such equipment on average of 30 hours per week.

**Sensory Demands**

The incumbent must spend each day in concentrated listening and observing situations of both technical and interpersonal nature. The incumbent must also spend up to 30 hours per week in practical settings, which requires attention to detail; and daily observation of student behavior, non-verbal communication and response. The incumbent will be required to work in a practical environment that has different sensory demands more consistent with the Heavy Equipment Operator occupation and setting than working on campus such as supervising

student operations of vehicles. While supervising students in a practical setting, the instructor must maintain constant vigilant attention to ensure student safety.

### **Mental Demands**

Instructors are in a highly visible and responsible position which can at times be demanding and stressful. The incumbent may need to travel between various College locations occasionally. Therefore travel by winter road and/or small aircraft is sometimes required.

### **KNOWLEDGE, SKILLS AND ABILITIES**

- Detailed theoretical and practical understanding of specific subject matter of instruction
- Ability to research and update course materials and delivery methods to maintain current programs
- Knowledge of adult education theory, program design, development, management, delivery, and evaluation
- Knowledge of adult instructional methods, program/project development and management, needs assessment and curriculum development
- Knowledge of educational issues in the NWT and challenges that adult students face in NWT communities
- Knowledge of all applicable laws, acts, regulations, rules, policies, guidelines, requirements, and codes in specific subject matter of instruction
- Knowledge of computer programs such as: word processing, spreadsheet, database, e-mail and Internet programs
- Knowledge of northern culture, cross cultural processes, and politics
- Ability to conduct basic academic counseling and provide life skill coaching
- Knowledge of the organization and structure of the College and the relationships between the College and various partners in the communities and across the Territories
- Demonstrated oral and written communication skills
- Demonstrated human resource and team building skills
- Proven organizational skills
- Proven skills in budgeting and anticipation of long-term needs and requirements of the program
- Ability to be involved in progressive, relevant, and ongoing, professional development activities as these activities are a required part of the profile of an instructor
- Proven ability to be adaptable and flexible in teaching approach

### **Asset**

- Completion of an Interprovincial Journeyperson Red Seal certificate in Heavy Equipment Operator
- Certification in CPR/First Aid
- A deep understanding of Aboriginal and Northern education issues
- Coursework or certification in adult education

### **Typically, the above qualifications would be attained by:**

- Completion of a Grade 12 Diploma
- 3 years' experience in the field as a Heavy Equipment Operator

- 2 years instructional experience in the field of Heavy Equipment Operation in post-secondary and/or supervising Heavy Equipment Operators
- 2 years' experience working in the Northern transportation sector
- A bona fide requirement of the job is possession of a Class 1 license.
- A bona fide requirement of the job is the completion of six weeks of full time coursework in adult education within the first two years of employment and completion of a certificate in Adult Education within five years of hire.
