

## South Slave Region Contacts

Send a copy of your application to the applicable Government contacts.

Send your cover letter, a copy of your completed application, map of the study area and blank-Recommendation Form to the appropriate ECC regional office, regional renewable resources boards and to contacts in the communities close to your study area. If in doubt, be inclusive. Please use mail or a facsimile for non-government contacts if no e-mail addresses are listed.

If your study may have impacts on other regions than your immediate study area, please be inclusive and contact organizations in the additional regions.

Keep and maintain records detailing your consultation efforts in a log, in addition to submitting your application and recommendation form(s).

---

## GNWT Contacts

Government contacts will provide general comments and recommendations on the research application and the consultation process.
