

DRIED BEAVER CASTORS NOW AVAILABLE FOR GMVF ADVANCE

**The GMVF program will advance trappers for
properly dried beaver castors**

\$65 for one (1) pound of dried beaver castors.

This is approximately eight (8) dried castors.

Castors must be dried properly according to the reference sheet developed by ECC. Ask your ECC officer for a reference sheet.

If the castors sell for higher at auction, the trapper will receive proceeds and prime fur bonus, as per normal process.

Castors are received at ECC year round.

For more information contact your local ECC office
