## Re: Review of Proposed Critical Path for the Thaidene Nëné Management Planning Process

Thaidene Nëné Xá Dá Yálti recently completed a critical path document that will guide the Board's management planning process for Thaidene Nëné over the next number of years. A management plan for Thaidene Nëné must be completed sometime before the end of 2024.

Once formally established, the Regional Management Board will provide formal recommendations and advice to the Thaidene Nëné Xá Dá Yálti on the draft Management Plan. In the meantime, to ensure that Yellowknives Dene First Nation (YKDFN) and Deninu K'ue First Nation (DKFN) are fully engaged during the critical stages of management planning, Thaidene Nëné Xá Dá Yálti has requested that its proposed critical path be provided to YKDFN and DKFN for review and comment.

Thaidene Nëné Xá Dá Yálti welcomes any written recommendations and advice from your organization by April 2nd, 2022. If you have any questions about the document, please do not hesitate to get in touch with me at [swardyk@gmail.com](mailto:swardyk@gmail.com).

Thaidene Nëné Xá Dá Yálti will be holding two workshops this spring to kickstart the management planning process and is extending invitations to the Yellowknives Dene First Nation and Deninu K'ue First Nation to participate. We hope to send additional information out about these workshops in the next month.

Thanks / Mahsi Cho!
