

# Interim Resource Management Assistance (IRMA) Program APPLICATION FOR RESOURCE PRESSURES FUNDING

Une version française de ce document est disponible.

To expedite the processing time for Interim Resource Management Assistance (IRMA) Program Resource Pressures Funding, please ensure that **all sections of this application form are completed** and that the information included is detailed and comprehensive.

Once completed, please print, sign and scan the funding application, then return it (along with a copy/paste enabled version) by email to [IRMA@gov.nt.ca](mailto:IRMA@gov.nt.ca).

The IRMA Program Guidelines contain important information about how to apply for this funding. Please review the guidelines prior to completing this form.

### Resource Pressures Funding Criteria

In addition to the eligible expenditures for the IRMA program listed in the program Guidelines, all of the following criteria must be satisfied for IRMA Resource Pressures Funding:

- The activities to be undertaken must be consistent with the *Mackenzie Valley Resource Management Act (MVRMA)*;
- Demonstrated response to specific, current major development(s) that have entered the assessment or regulatory process established in MVRMA;
- Demonstrated need for financial assistance, taking into account the organization's financial capacity and availability of funds from any other source; and
- Identification of potential ecological, economic, social or cultural effects of a project, or enhancement/development of capacity related to understanding and managing types of effects.

Mailing Address:		
Community:	Postal Code:	
<b>Contact Person's Information</b>		
Name:		
Position Title:		
Email:	Phone Number:	Fax Number:

## Section 2: Application Details

1. Describe how **additional** resource pressures funding will be used to support participation in land or resources projects/activities in the region.

<b>Activity in the region (Resource Pressure)</b> Include the proponent or project name or a description of the current major development.	Has it entered an assessment or regulatory process established under the MVRMA?	<b>Describe how <i>additional</i> IRMA funding will enable your organization to be actively involved in this process.</b> Is your organization <b>participating</b> in an environmental assessment or regulatory process related to this activity? Are you reviewing documents and/or submitting comments on the activity to the regional Land and Water Board or the Review Board? Could additional funding offset costs for relevant travel, consultant fees, etc.?
