Dear Mark Nelson and Nicole Goodman;

Approval decision of the Diavik Diamond Mine Tier 2 Closure and Post-closure Wildlife Management and Monitoring Plan

This letter is to notify Diavik Diamond Mines Limited (DDMI) that Environment and Climate Change (ECC) has reviewed the Tier 2 Closure and Post-closure Wildlife Management and Monitoring Plan (WMMP) for Diavik Diamond Mine submitted by DDMI on 10 June 2026.

This WMMP underwent public review through the Online Review System (ORS) process. DDMI incorporated the ORS review comments and suggestions to the satisfaction of ECC; therefore, in accordance with the *Wildlife Act*, I approve this WMMP for Diavik Diamond Mine. This WMMP will be posted to ECC's website and made publicly available.

DDMI ended its operations phase on March 31, 2026, and has continued to monitor wildlife under the approved Tier 3 Operations WMMP. The Tier 2 Closure and Post-closure WMMP submitted on 10 June 2026 replaces the Tier 3 Operations WMMP.

If DDMI has any questions regarding this letter, please contact Greg Look, WMMP Coordinator at (867) 767-9237 ext. 53218, or WMMP@gov.nt.ca.

Sincerely,

Robert Jenkins
Deputy Minister
Environment and Climate Change
