

MEETING SUMMARY
THAIDENE NËNÉ XÁ DÁ YÁŁTI
YELLOWKNIFE | APRIL 12-13, 2023

OVERVIEW

Communications was an important focus of this meeting, with work being advanced on key messages, a board logo, a commemorative plaque, and a visitor orientation plan. The board also reviewed and approved a number of applications for business licences and research.

BOARD BUSINESS

- March meeting summary approved.
- Communications Working Group is leading the development of a commemorative plaque for Thaidene Nëné to realize a dream of Elder Albert Boucher.
- The board reviewed and approved key messages for use in communications.
- Work has been started on an all-party visitor orientation plan. The board approved text for a visitor code of conduct.
- Work continues on a logo for Thaidene Nëné Xá Dá Yáłti.
- Board reviewed a draft commercial activity licencing policy for Kachée/Tachée.
- The Board approved representatives from DKFN and YKDFN joining the board as advisors until the regional management board is up and running.

BOARD DECISIONS

1. Approved an application for an NWT research licence and Parks Canada research and collection permit for a project about 1.9 billion year old rocks.
2. Approved Jackpine Paddle's business licence with conditions.
3. Approved Chase East Arm Adventure's business licence with conditions.

MANAGEMENT PLANNING

- A first draft of the management plan has been completed. Thaidene Nëné Xá Dá Yáłti will review the draft at the next meeting.

NEXT MEETING: LOCATION TBD – MAY 23-25, 2023
