

MEETING SUMMARY  
THAIDENE NËNÉ XÁ DÁ YÁŁTI  
YELLOWKNIFE | JANUARY 17-19, 2024

## OVERVIEW

This meeting was primarily focused on strategic planning for the 2024-25 fiscal year and reviewing and revising the Thaidene Nënë relationship (management) plan.

## BOARD BUSINESS

- Thaidene Nënë Xá Dá Yáłti reviewed operations for 2023-24. Significant progress was made in the areas of governance, communications, multi-party initiatives and research, and management planning.
- The board identified priorities for 2024-25. These include finalizing the relationship plan, continuing to bring Indigenous values and interests into board processes, and refining policies on permitting and licencing.
- Board members who participated in an IPCA management training gathering in November reported on the event and their learnings.
- GNWT staff presented about a proposed muskox survey.
- GNWT staff reported on caribou survey results from 2023 and provided an update on wolf management.
- The Board reviewed business licence renewals and two lease renewals.

## RELATIONSHIP PLANNING

- Thaidene Nënë Xá Dá Yáłti did a page-by-page review of the sixth draft of the Thaidene Nënë relationship plan.
- Parties are undertaking internal review processes on the newest draft.
- Dates were identified for open houses in the North and South Slave regions.
