Dear Mr. Beck:

Thaidene Nënë Operational Management Board Appointment

We are pleased to congratulate you on your four year appointment by the Northwest Territory Métis Nation (NWTMN) as a member of the Thaidene Nënë Operational Management Board, pursuant to section 6.3.1 of the Thaidene Nënë Establishment Agreement between the Government of the Northwest Territories and the NWTMN, and section 8.2.1 of the Impact Benefit Agreement between NWTMN and Parks Canada. You are joined on this board by your fellow NWTMN appointees Ms. Betty Villebrun (2 years) and Mr. Paul Harrington (2 years), as well as Mr. J.C. Catholique (2 years), Mr. Steven Nitah (4 years) and Mr. James Marlowe (2 years) who were appointed under the provisions of the Łutsël K'e Dene First Nation (LKDFN)-GNWT Establishment Agreement and the LKDFN-Parks Canada Impact Benefit Agreement. In addition, for the Territorial Protected Area, the GNWT and LKDFN have jointly appointed Ms. Addie Jonasson (4 years).

The Operational Management Board is a public interest board and your role is to maintain an independent and impartial perspective, and not be representative of the Party appointing you. Your commitment to the ongoing efforts to conserve this important area through a cooperative management process is greatly appreciated. The efforts of dedicated individuals like yourself are key to realizing the potential of this internationally recognized protected landscape.

Please accept our congratulations and best wishes for success in your appointment.

Sincerely,

Jonah Mitchell
Field Unit Superintendent
Southwest NWT Field Unit
