

YELLOWKNIFE RE-ENTRY FLIGHT PRE-REGISTRATION

If you are not able to complete this form or if you prefer to register over the phone, call 1-888-383-4830.

ELIGIBILITY:

1. Pre-registration is available for evacuees staying in Alberta, the Yukon and Manitoba. Flight hubs across Alberta are currently being identified and will be finalized based on need across the province. Evacuees can also pre-register for flights from Whitehorse, Yukon and Winnipeg, Manitoba.
2. Pre-registration is not intended for essential workers asked to return by their employer. If you have been designated as an essential worker required to return before the evacuation order is lifted, please contact your employer if you are unsure about your re-entry plan.
3. Patients in specified groups that are being advised not to return (dialysis, chemotherapy, IV therapy, individuals with advanced or high-risk pregnancies) will be contacted directly with more information. For these individuals that will be required to stay outside their home community due to availability of necessary health services beyond the time when evacuee supports end, transition to Medical Travel supports will be coordinated. You do not need to fill out this form.

Health and social services will not be fully operational in Yellowknife when the evacuation order is lifted.

If you have health or related concerns that require full service levels in Yellowknife upon your return, please click 'Yes' below. By clicking 'Yes', a Pathfinder will follow up with you about delaying your return so that you can continue to receive support in Alberta.

Continue to complete and submit this form even if you select 'Yes.'
