Coronavirus Disease (COVID-19)
NWT Compliance and Enforcement Taskforce

The NWT Compliance and Enforcement Taskforce strengthens the territory’s capacity to enforce the orders of the Chief Public Health Officer as we respond to COVID-19.

The GNWT has added a Deputy Chief Public Health Officer and other senior officers to guide enforcement to protect the health of all NWT residents.

Anyone with credible, specific complaints is urged to continue emailing protectnwt@gov.nt.ca or call 1-833-378-8297. Protect NWT is the door in for enforcement.

All complaints are assessed to determine if there is a public health risk.

A team of more than 30 Public Health Officers will be able to investigate complaints in all 33 communities.

Public Health Officers will be able to issue tickets and impose fines of up to $10,000 on the first offense.

Anyone with credible, specific complaints is urged to contact protectnwt@gov.nt.ca or 1-833-378-8297.
